ENDLESS CHOICES FOR LEISURE AND ADVENTURE IN PUNGGOL

Imagine your workplace being a few minutes' drive from home or getting upgraded to join a new future-ready workforce.

As part of Singapore's Smart Nation push, the upcoming Punggol Digital District is now being developed within the wider region with facilities and amenities that include the following:

- Digitally-focused companies
- JTC's innovation-led business parks
- The new campus for Singapore Institute of Technology

The locations of future and existing amenities indicated in the photograph are approximate and for reference only.

PUNGGOL DIGITAL DISTRICT – THE SILICON VALLEY OF SINGAPORE

Exciting possibilities in the future

Apart from these facilities, you can also work up a sweat at the Regional Sports Centre, enjoy a quiet stroll along the Heritage Trail, or even delight in a feast with the multitude of F&B options in the Market Village.

Everything you look forward to will simply be within reach. After all, with Punggol Coast MRT Station being

developed on the North East Line, commuting around this area will be more seamless and hassle-free.

So whether you wish to work out, chill out, or go all out to fulfill your ambitions, life will certainly be easier for those staying near the Punggol Digital District.

Entrance Court

THE CASCADES

**MODERN GRANDEUR
OUTSIDE, LUSH
HAVEN INSIDE**

Gaze upon new heights of waterfront living from the moment you enter Piermont Grand premises. Artistic sculptures that herald your arrival, and lush greenery artfully adorning the elevated landscape – all symbols of the luxury living that awaits within.

Bask in a luxurious 50m Lap Pool fronted by feature waterfalls, roast succulent skewers for your guests over the Lookout BBQ Pavilion or sweat it out in the Cantilevered Gym that overlooks the waterway.

Whatever you do, you can look forward to breathtaking panoramic views as you live the leisurely life.

STYLISH MODERN DESIGN, LUXURIOUS LIVING STANDARDS

With the apartment thoughtfully detailed with quality fittings, including the award-winning Haiku fan, elevated living has never been more stylish. And to enhance your home to reflect your aesthetics, select either the Earthy Lux or Cool Breeze colour scheme as the choice for your finishes.

Well-equipped for culinary delights with branded appliances

Go from being a master chef to becoming the perfect host for dinner gatherings with branded kitchen appliances from Teka. For the 4- and 5-bedroom units, a kitchen island is also provided to further complement your ideal home.

A stylish sanctuary for restful slumber

Luxurious bathroom with quality fittings

Before relaxing in the bedroom, you can unwind with a shower in a bathroom that comes equipped with quality fittings from GROHE. Discover an attractively curated accessory cabinet and full-height mirror integrated within your master bedroom wardrobe. For selected units, you can even delight in a roomy walk-in wardrobe space.

SIMPLE LIVING STARTS WITH A SMART HOME

Take everyday conveniences to the next level. Be it daily appointment and weather updates from your smart voice assistant, smart air conditioner control for remote access of your room's temperature, or enhanced house security with a smart digital lockset and camera.

When you can count on your smart home to take care of every detail, you can go about your daily life with absolute ease and assurance.

Smart Home Gateway with Pan & Tilt Camera

- 1 unit provided
- Remote surveillance and control of camera via mobile app
- 2-way audio function allows users to communicate between home and mobile app
- Night vision capabilities for extra security
- Speaker siren for unauthorised door opening
- Video recording function

Smart Voice Assistant

- 1 unit provided
- Control smart home devices with voice
- Calendar reminder
- Provide information such as news and weather forecast
- Play music

Smart Digital Lockset

- 1 unit provided
- Lock and unlock door via card, pin, key and mobile app

Smart Door Sensor

- 1 unit provided
- Monitor the opening of door for added security via mobile app

Smart Air Conditioner Control

- 2 units provided
- Power on and off air conditioner and control temperature via mobile app

Smart Lighting Control

- 1 unit provided
- Control, automate and monitor your light via mobile app

The unit will be supplied and installed with the following items ("Wireless SMART Home System"): (i) 1 smart home gateway with built-in IP camera, (ii) 1 smart voice assistant, (iii) 1 digital lockset, (iv) 1 main door sensor, (v) 1 lighting control, and (vi) 2 air conditioner controls. The make, model, brand, design and technology of the Wireless SMART Home System to be supplied and installed in the actual unit may differ from the above illustration and are subject to change. Terms and conditions apply. Buyers shall liaise with the smart home vendor instead of the developer to make all arrangements for the set up and configuration of, and for any queries, defects, maintenance and/or upgrade issues with the Wireless SMART Home System at buyers' own costs. Items/devices which are not listed above are not included in Wireless SMART Home System and may be purchased from the smart home vendor directly and installed at buyers' own costs after the handover of the unit.

SUSTAINABLE LIVING STARTS WITH AN ECO-FRIENDLY HOME

With Piermont Grand conferred the highest-tiered BCA Green Mark Platinum Award and the Universal Design Mark Gold^{PLUS} award, your home is now a place you can enjoy all-round efficiency with green features incorporated in every aspect of everyday life.

Passive Cool Design Architecture

- Designed to minimise direct West-facing units
- Units are designed with balconies and/or other sunshading elements such as horizontal ledges and tinted window glass to minimise direct sunlight penetration into unit interior

Environmental Quality and Protection

- Use of environmentally friendly products certified by approved local certification bodies
- Use of low Volatile Organic Compounds (VOC) paints for internal walls to reduce indoor air pollution

Energy Efficiency

- Provision of energy efficient air-conditioners for all units
- Provision of ceiling fan in living room for all units
- Motion sensors at staircases
- Energy efficient lighting at communal facilities
- Energy efficient lifts with Variable Voltage Variable Frequency (VVVF) drive, sleep mode and regenerative power feature

Water Efficiency

- Water efficient fittings provided for all units

Other Green Features

- Extensive greenery and landscape
- Pneumatic waste collection and disposal system
- Double refuse chutes for recyclable and non-recyclable waste
- Siphonic rainwater discharge system at roof
- Provision of bicycle parking lots at basement level
- Good access to bus stops

SINGAPORE'S TRUSTED PROPERTY PIONEER SINCE 1963

Singapore's trusted property pioneer since 1963, City Developments Limited (CDL) is a leading global real estate operating company with a network spanning 103 locations in 29 countries and regions. Listed on the Singapore Exchange, the Group is one of the largest companies by market capitalisation. Its income-stable and geographically-diverse portfolio comprises residences, offices, hotels, serviced apartments, integrated developments and shopping malls.

With a proven track record of over 55 years in real estate development, investment and management, CDL has developed over 43,000 homes and owns over 18 million square feet of lettable floor area globally. Its diversified global land bank offers 4.1 million square feet of developable gross floor area.

The Group's London-listed subsidiary, Millennium & Copthorne Hotels plc (M&C), is one of the world's largest hotel chains, with over 135 hotels worldwide, many in key gateway cities.

Leveraging its deep expertise in developing and managing a diversified asset base, the Group is focused on enhancing the performance of its portfolio and strengthening its recurring income streams to deliver long-term sustainable value to shareholders. The Group is also developing a fund management business and targets to achieve US\$5 billion in Assets Under Management (AUM) by 2023.

Established in 1972, TID Pte. Ltd. is a joint venture between two multinational corporations: Hong Leong Group from Singapore, and Mitsui Fudosan Co., Ltd. from Japan.

Hong Leong Group Singapore is a globally diversified company and is one of Asia's largest and most successful conglomerates. The Group's core businesses are property development, hospitality, financial services, and trade & industry.

Mitsui Fudosan Co., Ltd. is one of Japan's largest real estate companies and a market leader in almost every aspect of real estate activities.

TID Pte. Ltd. is led by a strong Japanese management team and has been very active in property development in Singapore for the past 47 years. Its portfolio of successful quality projects include Optima@Tanah Merah, a project that was immediately sold out, and Nathan Suites, a luxurious condominium in a prestigious residential enclave.
